Dedication

In appreciation for unselfish dedication of her time and talents to this school, the Senior Class proudly dedicates the 1966 Growl to

Mrs. Sue Ellen M. Boyette

We dedicate this Yearbook to her not only for ourselves but for the countless others whom she has guided in the past. We are proud to have this opportunity to show our love and appreciation for her untiring service to

Jones County High School

In Memoriam

Death Be Not Proud

Death be not proud, though some have called thee Mighty and dreadful, for thou art not so; For those whom thou think'st thou dost overthrow Die not, poor Death; nor yet canst thou kill me. From Rest and Sleep, which but thy picture be, Much pleasure; then from thee much more must flow; And soonest our best men with thee do go - Rest of their bones and souls' delivery!

Thou'rt slave to Fate, chance, kings, and desperate men, And dost with poison, war, and sickness dwell; And poppy or charms can make us sleep as well And better than thy stroke. Why swell'st thou then? One short sleep past, we wake eternally, And Death shall be no more; Death, thou shalt die!

Superintendent's Message:

Life is a constant series of rewards, punishments, praise and criticism. In school a student is exposed to all of these elements. His real measure of success will be gauged by his ability to succeed with humility, to fail with dignity and grace, to have an adventure, to win adulation, to want to excel-these are things of real and lasting value.

W. C. MATHEWS

Principal's Message

Another school year is ready to take its place in the long and interesting history of this high school. This has been your year because you are the graduating class and all the activities have been focused on you. The world does not offer you and your generation an easy life. You will be faced with more pressures than any other senior class in many years. Those of us who had anything to do with your maturation and education pray we have given you the equipment necessary for you to cope with these pressures. We will watch with great interest your progress through the years.

The Jaycee Creed ...

We believe:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the best work of life.
